MEMORANDUM FOR: [redacted]

SUBJECT: Security Measures for WS 117L

Effective immediately the sensitive aspects roster of personnel with need to know on WS 117L is discontinued. The Master Security Classification Guide for WS 117L is being rewritten to incorporate this change and will be distributed in revised form shortly. In the meantime, the provisions of AFR 205-1 and the present master security classification guide except references to the sensitive aspects roster, will be strictly observed.
